2011 Volunteer Tournament Chair Bret Benson

Greetings fellow volunteers, welcome to the 2011 World Golf Championships Bridgestone Invitational. The pros are approaching the tee. Please turn off or silence your mobile devices. I'm sure you have heard the TOUR's policy change on mobile devices. This opens a lot of exciting possibilities. Our volunteer Twitter Account has enhanced communication to the volunteers in case of schedule changes, menu updates, and entertainment. As volunteers you will be the ambassadors of the new policy so please set a good example by using the designated cell phone areas and texting away from play.

The facilities/construction committee and other volunteers have been busy getting the Volunteer Compound and barn in tip top shape. Be sure to stop out to see the big additions and changes made to our Volunteer Compound. I would like to thank all those that have worked so hard to make the planned changes a reality.

This is going to be an exciting year with the mobile device policy, the great new looks of the tournament, and the world class field of volunteers that we have to run the day-to-day operations. I will try to see as many of you as I can this week and thank you personally, but I would like to thank you all now for the fantastic work you have done in the past, present, and future. We all volunteer for the sake of the charities we support. Thank you. 🙏

Guidelines:

- 📱 What is a mobile device?
 - 📶 A device that can send/receive calls
 - 📶 A device that can send/receive data
- 📱 Acceptable usage at Bridgestone Invitational
 - 📶 Device to be on silent at all times
 - 📶 Calls may be placed or received only in Bridgestone Invitational approved "designated areas"
 - 📶 Designated areas to be defined on Bridgestone Invitational course map
 - 📶 Locations: Concession Stands, Spectator Village, Welcome Pavilion
 - 📶 No Audio or Video is permitted at any time
 - 📶 No still photography will be allowed Thursday-Sunday (Wednesday only)
 - 📶 Data use will be permitted outside of designated areas (as long as spectator is being respectful to players)

Just a reminder, that we, as volunteers, must comply with and set the example following our new Mobile Device policy. Spectators hopefully will follow our lead. We also need your help - if you see anyone (Spectators or Volunteers) abusing this policy, please report the incident to our Mobile Device Committee headed up by **Mike Hausch**. The Mobile Device committee can be reached over the radio on the Mobile Device radio channel. 📶
