**Northern Ohio Golf Charities & Foundation Awards grants to 60
Northeast Ohio Nonprofits**

Funding will support organizations driving progress in education, health and human services, civic engagement, and arts and culture.

AKRON, Ohio-- The Northern Ohio Golf Charities & Foundation (NOGC&F) is pleased to announce the recipients of 60 grant awards made possible through proceeds from the 2025 Kaulig Companies Championship and the annual Ambassador of Golf Celebration presented by the FirstEnergy Foundation. The funding will support Northeast Ohio nonprofit organizations that advance education, health and human services, civic engagement, and arts and culture throughout the region.

"Our partners bring vision, expertise, and passion to their work, and we're honored to support organizations that are driving impactful change throughout Northeast Ohio. That impact would not be possible without the dedicated NOGCF volunteers who support our tournaments year after year. Their time, energy, and commitment are the backbone of our Foundation," said Danielle Thompson, Northern Ohio Golf Charities & Foundation Executive Director.
